Perinatal Mood Disorders: Components of Care

PSI has developed an internationally recognized unique evidence-based training program for health providers and social support networks. We have created an expert corps of experienced trainers and are committed to providing you with the most current research.

The 2-day PSI Certificate of Completion Course, taught by experienced and engaging faculty, is a thorough and evidence-based curriculum designed for nurses, physicians, social workers, mental health providers, childbirth professionals, social support providers, or anyone interested in learning skills and knowledge for assessment and treatment of perinatal mood disorders. Registration includes training binder, handouts, and continuing education credits. Approved for CMEs, CNEs, and CEs.
